Vehicle preparation and cleaning (Citroën Hobby only)	CZK 1,990 (incl. VAT)	one-off per rental (not per day), part of the total price, the long-stay discount and discount codes do not apply; standard cleaning and preparation before handover — cleaning and disinfection of the interior, cleaning of the toilet and tanks, topping up of water, gas and toilet chemicals, fresh bed linen, vehicle check; for excessive soiling and an unemptied toilet, see Fees for breach of terms

The "daily rental rate" used below for the late-return fee corresponds to the current season (peak season, shoulder season, off-season, or New Year & Christmas 20 December–3 January at a coefficient of $\times 2.00$ — double the base (shoulder-season) daily price; see the General Terms and Conditions, clause 3.3, for the full price list). For the VW Multivan, a year-round rate of $\times 1.00$ (the shoulder-season rate) applies instead of the seasonal coefficients, and it is double ($\times 2.00$ of the base daily price) only during New Year & Christmas.

Fees for breach of terms

Contractual penalties and re-billed fees are not consideration subject to VAT; VAT is stated only for items that are an actual service.
