2. Purpose of the website

The website presents our fleet, price list and add-on services and allows online booking of motorhome and 4×4 rentals. Submitting a booking through the website is the first step towards concluding a contract; the contractual relationship itself arises through the process set out in the General Terms and Conditions — once the operator confirms the booking and the deposit is paid.

3. Pre-contractual information (Sections 1811 and 1820 of the Civil Code)

In accordance with Sections 1811 and 1820 of Act No. 89/2012 Coll., the Civil Code, we inform you of the following before the contract is concluded:

- **Identity and contact details of the operator** — see point 1.
- **Description of the service** — rental of a vehicle (motorhome or 4×4) for an agreed period, according to the vehicle chosen and the scope of equipment stated on the website.
- **Price including taxes** — prices shown on the website are final, including VAT at 21%.
- **Payment method and due dates** — a deposit of 30% of the price once the booking is confirmed (the current deposit amount is shown on the booking form and the deposit invoice), the balance of the price and any refundable security deposit under the terms and due dates set out in the General Terms and Conditions and on the invoices issued.
- **Duration of the obligation** — the contract is concluded for the agreed rental period stated in the booking confirmation.
- **Right to withdraw from the contract** — for a contract for the hire of a means of transport concluded for a specific date of performance, the consumer does not have the right to withdraw from the contract within 14 days without giving a reason (Section 1837(j) of the Civil Code); cancelling a booking is governed by the cancellation terms in the General Terms and Conditions.
- **Rights arising from defective performance** — see the Complaints Procedure.
- **Out-of-court dispute resolution** — the option of contacting the Czech Trade Inspection Authority (ČOI) — see the Complaints Procedure.

- The operator does not guarantee uninterrupted availability of the website and reserves the right to temporarily restrict or take down the website or parts of it, in particular for maintenance.
