2. Subject of the lease

Vehicle: _____ Registration no.: _____ VIN: _____

Odometer reading at handover: _____ km Fuel at handover: _____

Mileage limit for this rental: _____ km (300 km × number of rental days). Mileage over this limit is charged at CZK 5/km based on the odometer reading at the vehicle's return — the odometer reading at both handover and return, and any mileage over the limit, is recorded in the handover protocol.

Number of passengers: _____ (no more than the vehicle's number of seats).

Vehicle	Price/day incl. VAT	Security deposit
VW Multivan 2.0 TDI (2025)	CZK 3,200	CZK 40,000
Citroën Hobby motorhome (2021)	CZK 3,800	CZK 30,000
Mercedes-Benz X 250d 4×4 (2021)	CZK 3,000	CZK 30,000
Toyota Land Cruiser 2.8D (2021)	CZK 3,300	CZK 40,000

The price/day is the base shoulder-season rate; in the high season (15 June–31 August) it is multiplied by ×1.25, off-season (1 October–19 December and 4 January–30 April) by ×0.70 and over New Year & Christmas (20 December–3 January) by ×2.00 — see the seasonal price list in the General Terms and Conditions. The VW Multivan keeps its shoulder-season rate all year round (×1.00) and doubles over New Year & Christmas (×2.00). The Citroën Hobby, the Mercedes-Benz X 250d 4×4 and the Toyota Land Cruiser use an off-season coefficient of ×0.80 (instead of ×0.70). For the Mercedes-Benz X 250d 4×4 and the Toyota Land Cruiser, the other seasons (including New Year & Christmas) use the same coefficient as other vehicles; the Citroën Hobby, however, uses a New Year & Christmas coefficient of ×5/3 (≈ ×1.67) — a lower holiday surcharge than for other vehicles.

For the Citroën Hobby, a one-off vehicle preparation and cleaning fee of CZK 1,990 incl. VAT per rental (not per day; no long-stay discount or discount code applies; part of the total price, Article 5) is added to the price per day — see the Fee and Charges Schedule (Annex No. 2).

Mercedes-Benz X 250d 4×4 and Toyota Land Cruiser only — chosen protection package (see Article 3): ☐ Základ (Basic) ☐ Bezstarostně (Carefree) ☐ Bezstarostně+ (Carefree+) deposit per package: _____ CZK

3. Off-road driving and vehicle protection (Mercedes-Benz X 250d 4×4, Toyota Land Cruiser)

If the subject of the lease is a 4×4 vehicle, its off-road use follows Article 3 of the Rental Rules — permitted terrain (surfaced/unsurfaced public roads with permitted access, incl. forest/field tracks, snow) and prohibited uses (races, off-road parks/training grounds, off-track driving, fording over 450 mm Land Cruiser / 400 mm Mercedes X, beaches, dunes, frozen water, open tent, towing/recovering other vehicles). Also: L4/4L max. 25 km/h, unpaved tracks max. 50 km/h, tyre pressure min. 1.8 bar (reduced: max. 30 km/h), daylight only, max. side slope 20°, roof tent max. 80 km/h. If stuck: Emergency Card (max. 3 attempts, wheels spun max. 3 s each, never longer), then call the lessor's 24/7 line; further attempts, digging under the vehicle, or unapproved towing points breach the rules. Breach: CZK 13,000 penalty plus full damages, regardless of any protection package.

The deposit for these vehicles is paid at the latest **at collection**, by bank transfer in advance or in cash; without it the vehicle is not handed over. Handover includes a mandatory 15-minute-minimum briefing on the off-road modes (2H/4H/4L or H4/L4, differential lock, tyre pressure, fording, the Emergency Card, recovery points), confirmed by the tenant's signature in the handover protocol.

The tenant declares that all drivers named in this contract are at least 23 years old and hold a category B driving licence for at least 3 years, and that they have been made aware of the off-road rules under the Rental Rules: ☐ yes
Experience driving a 4×4 off-road (optional, for briefing purposes only): ☐ none ☐ occasional ☐ regular

4. Time and place of handover and return

Handover
Date and time: _____

Return
Date and time: _____

Minimum rental period 2 days (3 days, if the rental overlaps with any day in the period 1 July–31 August). Standard times: handover 14:00–18:00, return 8:00–11:00; other time per Fee Schedule (Annex No. 2). An earlier handover or a later return is only possible if operations allow it and the vehicle has no other booking immediately before or after the rental (the lessor will check availability and confirm). The vehicle is handed over with a full fuel tank and in a clean condition; a motorhome is additionally handed over with a full clean-water tank and an empty waste tank and toilet cassette. The tenant returns the vehicle with a full fuel tank and in a clean condition; for a motorhome, with an empty waste tank and an empty toilet cassette. The clean-water tank level is not assessed on return. A handover protocol is drawn up for both handover and return.

5. Price and payments

Booking number: _____

Total price incl. 21% VAT	_____ CZK
Deposit (30%, due per the deposit invoice)	_____ CZK
Balance (due before collection)	_____ CZK
Security deposit (paid at collection by advance transfer or in cash; refunded within 7 days of the vehicle's return)	_____ CZK

The deposit and the balance are paid by bank transfer or QR payment as per the invoice details. The security deposit is refunded within 7 days of the vehicle's return without defects, or after deducting costs under Article 6 and the Fee Schedule (Annex No. 2).

6. Insurance and excess

The vehicle is insured with mandatory third-party liability insurance and comprehensive insurance with ČSOB Pojišťovna, a.s. The comprehensive-insurance excess is 10%, min. CZK 10,000, and is covered from the security deposit. Damage not covered by insurance (tyres, glass, interior, roof/awning, chassis, loss of keys or documents) is paid by the tenant up to the amount of the deposit, and above it as per actual cost. For the Mercedes X 250d and the Land Cruiser, the chosen protection package (Article 3) reduces the excess and deposit per its own terms set out in the Fee Schedule.

The vehicle may be fitted with GPS localisation for asset protection and assistance; the lessor reads the location only in the event of damage, theft, non-return of the vehicle or a request for assistance, and deletes the records within 30 days at the latest (see the Personal Data Processing Notice).

ČSOB Pojišťovna's 24/7 assistance line: +420 466 100 777 — Poutník 24/7 assistance: +420 723 707 958.

7. Tenant's obligations

The tenant is bound by the General Terms and Conditions and the Fee and Charges Schedule (Annex No. 2), in particular: to observe traffic regulations, not to hand the vehicle to a third party, not to smoke in the vehicle, to report damage and accidents without delay, to return the vehicle with a full tank (otherwise fuel is re-billed at CZK 50/l + CZK 500) and, for a motorhome, with an empty waste tank and cassette (otherwise CZK 1,000).

8. Travelling abroad

The EU/EEA, Switzerland, the United Kingdom and the Balkans are permitted by prior agreement with the lessor; Russia, Belarus, Ukraine, Moldova, Turkey and countries outside Europe are not permitted.

9. Accident and breakdown

In the event of an accident, breakdown or damage, the tenant follows the annex "What to Do in an Accident/Breakdown" and contacts the assistance line +420 723 707 958 without delay; in the event of injury or damage exceeding CZK 100,000, always call the Czech Police.

10. Personal data protection

By signing, the tenant confirms that, before concluding this contract, they were provided with the Personal Data Processing Notice. Processing of the data given in this contract and in the handover protocol is necessary for the performance of the contract (Art. 6(1)(b) GDPR) and for compliance with the controller's legal obligations (Art. 6(1)(c) GDPR); consent is not required for these purposes.

11. Acknowledgement of the General Terms and Conditions

The tenant declares that, before signing this contract, they have read the General Terms and Conditions, the Fee Schedule and the Rental Rules, which form Annexes No. 1, 2 and 3 to this contract, and agree to their content.
